

2017 CROP-UP DINNER SERIES AND MARKET SHOWCASE

Join us for a fun crop-up dinner and market showcase. At the market, you will have a chance to meet local farmers and growers from your community, to purchase local products and to learn more about Oregon's specialty crops. The market showcase will be followed by a dinner featuring specialty crops as the main ingredients in each dish.

Don't miss out on this one-of-a-kind event.

We look forward to seeing you there!
