

The Oregon Dungeness Crab Commission strives to “enhance the image of Oregon Dungeness Crab” and the men and women who make up the commercial fishery.

To carry out its mission, the Oregon Dungeness Crab Commission will consider funding advertising, image campaigns, sponsorship and other promotional projects conducted by outside organizations if the project(s) help to further advance that mission.

Proposals will be considered by the Oregon Dungeness Crab Commission using the following procedures:

-Bids capped at around \$7k to \$14k are preferred, but those up to \$100K will be considered by a marketing sub-committee, representing the commission. All bids will be seriously considered.

-Sharpen your pencils, though, we are still looking to get the most for the least. Remember, we do not sell product. We look to enhance brand image and share the message of our fleet’s sustainable fishing practices.

-Proposals must be submitted by end of business day on September 17, 2021, to be included for consideration by an ODCC sub-committee meeting to be held in October. Finalists will be contacted with details of date/time and location. (Will also be able to meet via Zoom.)

The Oregon Dungeness Crab Commission’s fiscal year runs through June 30th and all campaigns must be complete by then.

Organizations will be notified by December 1, 2021, as to whether all or part of their funding was approved or not.

Funding proposals may be accepted at other times during the Fiscal Year at the ODCC’s discretion.
