

The Oregon Dungeness Crab Commission strives to “enhance the image of Oregon Dungeness Crab” and the men and women who make up the commercial fishery.

To carry out its mission this fiscal year, the Oregon Dungeness Crab Commission is considering a request for bid to specifically cover sponsorships and other promotional projects conducted by outside organizations if the project(s) help to further advance that mission.

Proposals will be considered by the Oregon Dungeness Crab Commission using the following procedures:

-A marketing sub-committee, representing the commission, will examine all bids. While the committee will be looking to keep bids around \$7,000-\$12,000, all proposals will be considered.

-Sharpen your pencils, though. Remember, we do not sell product. We look to enhance brand image and share the message of our fleet’s sustainable fishing practices through strategic brand partnerships.

-Proposals must be submitted by end of business day on July 25, 2023, to be included for consideration by an ODCC sub-committee meeting to be held at a later date. Finalists will be contacted with details of date/time and location. (Will also be able to meet via Zoom.)

The Oregon Dungeness Crab Commission’s fiscal year runs through June 30th and all campaigns must be complete by then.

Organizations will be notified by September 29, 2023, as to whether all or part of their funding was approved or not.

Funding proposals may be accepted at other times during the Fiscal Year at the ODCC’s discretion. Proposals must be submitted on the ODCC Authorization Request Form (which can also be found at the bottom of our Promotional Materials page <http://oregondungeness.org/promotional-materials/>)
